According to Google, more than 130 million books were published up to 2010. Of the millions in this total published in English, some have stood the test of time and continue to be read and enjoyed decades and even centuries since they first saw print. Those are the titles we are publishing in large print at The Large Print Book Company.

Since 2004 we have published 182 titles, from children's classics like *Black Beauty* and *The Secret Garden* to perennial mystery and suspense favorites like *The Thirty-Nine Steps* and *Whose Body?* to literary masterpieces like *Jane Eyre* and *Pride and Prejudice* and timeless westerns by Max Brand and Zane Grey. Titles are chosen from Top 100 lists, such as the Top 100 Crime Novels of All Time by the Crime Writers Association and the Mystery Writers of America, ALA 100 Best Books for Teens, Modern Library's 100 Best Novels, The Guardian's The 100 Best Novels Written in English, The World's 100 Greatest Novels of All Time, Le Monde's Best Books, and the 100 Classic Book Collection. (For a list of lists, see <http://thegreatestbooks.org>.) We have also published, for the first time, large print editions of poetry by Emily Dickinson, Robert Frost and William Shakespeare with new indexes of first lines.

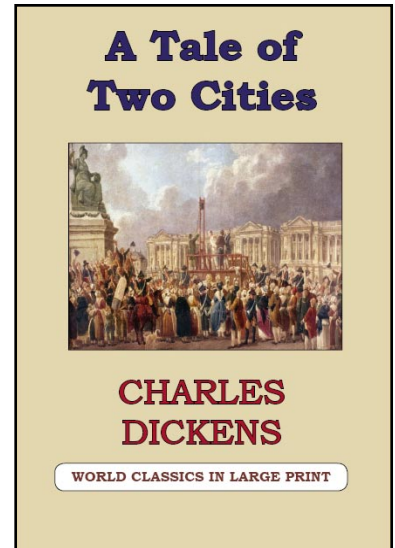

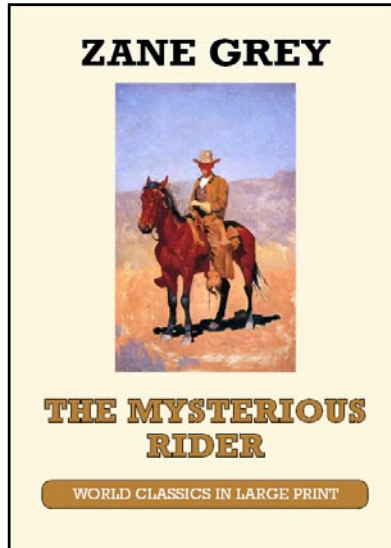

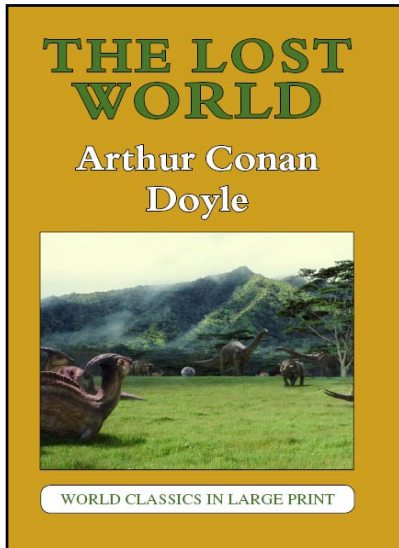

We have expanded the idea of “best books” to focus on the works of all-time favorite authors, like the Brontës, Edgar Rice Burroughs, Arthur Conan Doyle, Zane Grey, Jack London, Mary Roberts Rinehart and P.G. Wodehouse.

Finally, we produce our large print books in lightweight, library-grade soft-cover editions. All new titles and all backlist titles reprinted now feature durable laminated full color covers: no need to laminate for circulation!
